

Stuart P. Hair

Stuart P. Hair serves as the City of Charlotte Aviation Department Director of Economic & Community Affairs. He is responsible for planning, directing, managing and overseeing the activities and operations regarding commercial development, community engagement, real estate, and airplane noise at the Charlotte Douglas International Airport. His primary duties include identifying corporations and business facilities that are targets for recruitment to locate on or near Airport and marketing the Airport to those organizations. Hair has been on the job since April 2015.

He has worked in economic development since April 2006 throughout the Charlotte region with local and state organizations. Hair is a graduate of Oklahoma University Economic Development Institute (OUEDI) and a Certified Member (CM) of American Association of Airport Executives (AAAE)

He holds a BA from Queens University of Charlotte and a MA from UNC-Charlotte. Along with his wife and son, Hair lives in Southeast Charlotte.
